Who We Are

At KRX Melbourne, we are more than just furniture suppliers. We are workspace solutionists. Rooted in design excellence and sustainability, our brand delivers functional, modern, and locally supported furniture that transforms everyday offices, co-working spaces, and commercial environments into inspiring places to think, work, and grow.

With a focus on aesthetic innovation, durability, and affordable customisation, we help businesses reflect their brand culture through well-designed interiors.

What We Do

We design and supply commercial-grade furniture tailored for all types of work environments, including:

- 🏢 Corporate Offices

Desks, ergonomic chairs, workstations, and executive suites with built-in cable management and modular flexibility.

- 🧑 Coworking Spaces

Multi-use setups that promote collaboration from hot-desking zones to casual breakout furniture.

- 🏠 Real Estate & Display Suites

Smart, styled pieces that help present modern lifestyle and professional functionality in leasing or sales environments.

- 🌿 Reception & Lounge Areas

Comfortable, statement pieces that balance function and first impressions.

- 📦 Furniture Rental & Fit-Outs

Short-term and long-term rental solutions for projects, pop-ups, and staging needs all delivered with white-glove service and installation.

WHY CHOOSE US?

45 Days Delivery

Free 3D design
and CAD service

10 years warranty

One-stop FF&E
supply chain

Why Choose KRX Melbourne

Commercial-Grade Quality

Our products are designed for everyday use in busy venues. Durable, stylish, and built to last indoors or out.

Customisation Without Compromise

We work closely with you to tailor every piece from finishes and fabrics to sizing and layout ensuring your furniture fits your space and story perfectly.

Trusted by

Leading property developers, coworking brands, and design professionals across Australia.

Direct Factory-to-Client Pricing

Our streamlined supply chain eliminates the middleman. Enjoy direct wholesale pricing from our factory partners, saving significantly on every project without compromising on quality.

Sustainability-First Designs

We create spaces that are as good for the planet as they are for people. Our materials and practices are carefully selected to reduce environmental impact while maintaining luxury and durability.

Rapid Turnaround, Zero Compromise

We understand the importance of timelines in hospitality. Our streamlined processes ensure everything is delivered on time, without cutting corners.

Let's Connect

We'd love to explore how we can support your current or future projects.
